

WARM WINTER PROGRAM 2016

After a long period of preparation, “ Warm Winter Program in 2016” was organized at Hoa Quy High School located at QuyHoa commune, Lac Son district, Hoa Binh province by The Ho Chi Minh Communist Youth Union- The volunteer student team of Hanoi University of Pharmacy in 2 days - Saturday and Sunday (26th - 27th November 2016). The program was a series of activities to help pupils here with the participation of The volunteer team of Hanoi University of Pharmacy and doctors of Hanoi Medical University as well as leaders of The Ho Chi Minh Communist Youth Union:

The main activities included:

- Free medical care provided for pupils.

- Redecorate the classroom (painting, change lights) and play with the pupils at the school.

- Organize the cultural night with interesting performance.

- Award the scholarships for poor pupils and gifts for the classes.

Although suffering from the coldness of highland weather, the lingering tiredness after long trip, the beaming smiles of the pupils here were the motivation to help everyone and fulfill all the tasks. This meaningful journey ended in the green shirt shadow gathering with the children...

Volunteer team of Ha Noi University of Pharmacy sincerely thanked the leaders of The Ho Chi Minh Communist Youth Union, doctors of Hanoi Medical University and the sponsors who contributed to the success of this meaningful program.

From that moment, the flame of love was kindled and warm children's hearts in these cold winter days, helped them to learn and overcome the difficulties ahead.
